

AGC Glass Europe, a European leader in flat glass

Based in Louvain-la-Neuve (Belgium), AGC Glass Europe produces, processes and distributes flat glass for the construction (external glazing and interior decorative glass), the automotive (original & replacement glass) and the solar sectors. It is the European branch of AGC Glass, the world's largest producer of flat glass.

Its baseline "Glass Unlimited" reflects the possibilities offered by:

- glass as a material to meet a growing variety of needs (comfort, energy control, health & safety, aesthetics, sustainability);
- innovation in products and processes, derived from continuous research in advanced glass technology;
- over 100 sites throughout Europe, from Spain to Russia;
- a worldwide marketing network;
- its 16,000 employees focused on the Customer.
